A Message From Johnny's Family

The Johnny Foundation would like to ask for your support at the **7th annual Johnny Leathers, Jr. Memorial Golf Tournament on May 22, 2010**. We need your help to continue to raise awareness of depression and prevent suicides.

Please consider making a donation if you are not able to play in the tournament. We realize the difficult times in our economy and for that very reason people may not seek the help they need because of the cost involved. That is why it is so important to join together to raise awareness and to continue to reach out to those who struggle with depression. No donation is too small as together we can make a difference in people's lives.

We continue to see evidence that your donations are saving lives. Last year's tournament proceeds went to establish an online screening project at Agnes Scott College and this year we hope to raise enough funds to help Emory University reach the graduate students that may be silently struggling with depression and we pray we can continue to set aside more funding for counseling sessions for those who do not have insurance or the means to get the counseling they so desperately need.

We can't do this without you. It is too late for Johnny but not for others we know and love.

- Here are ways you can help:**
 *Play in the tournament
 *Sponsor a Lifesaving Opportunity
 *Ask your employer to be a sponsor
 *Make a tax-deductible donation

It is our prayer that no other family will have to walk this journey. We want others to know that there is help and hope and we beg you to join us in this battle of life over death.

With God's Love and Grace & In Memory of Johnny,
 The Leathers family (Wayne, Lisa, Trish & Tina)
